Members are not required to volunteer for work, however, volunteer efforts keep expenses down.

*We need contact information so that we can inform you of meetings and special events at the airport. We do not sell our membership information.

RULES

Membership fee is a one time fee as long as continuous tenancy is maintained.

Dues are part of monthly rents.

Members in good standing who leave may come back within the grace period without a new membership fee. Grace period is one month for each month of the last continuous membership

Boone County Airport Association is a not-for-profit organization. We do not have a based mechanic on field, nor do we have any mechanic under our employ.

You may bring in your own mechanic to work on your aircraft only.

Persons desiring to base an aircraft on the field must join the association PRIOR to renting a hangar.

The maintenance hangar and monthly hangars are for members in good standing ONLY.

Maintenance hangar users must pay daily hangar rent plus their normal monthly hangar fees.

We do not allow "ramp annuals" or other non-emergency repairs to non-membership aircraft anywhere on the airport property.

STRANDED PILOTS: Please contact a board member for assistance. We may help you locate a mechanic. Note that the mechanic is not employed by the Boone County Airport Association or affiliated with the association in your assistance. Any mechanic you hire, or any volunteer that assists you, is acting on their own behalf. You may be required to sign a waiver stating that you accept the assistance from the mechanic or volunteer, and that the Boone County Airport Association was not involved in your repair.

Fuel sales are for members only. We cannot extend credit for fuel purchases. Please pay your fuel bill monthly or when fuel is purchased.
