

in a hangar. If the aircraft will fit in a hangar (even if none is available), then outside storage is not permitted. All aircraft owners are required to provide their own tie-down ropes, regardless of whether the aircraft is stored indoors or outside.

Hangar Availability — The club has had some members depart, so a few hangars will be available. The club will post a list of available hangars in the event that a current member in good standing wishes to move their aircraft.

Young Eagles — A boy scout troop came out in September for Young Eagles rides, and camped overnight on the field. The troop sent a "thank You" letter to the club and would like to come back next year.

Dog Roast Report — The Dog Roast was well attended, and when the winds died down it was possible to do some flying and have a bonfire. Thanks to all that came, brought covered dishes, and volunteered their time to make a great event.

Christmas Party Planning — The annual Christmas party has traditionally been held on the third Saturday in January. Club members are asked to put it on their calendar and come up with ideas for the 2016 location.

New Hangar Report — The new hangar is essentially finished and is awaiting asphalt on the south side. Members desiring to rent in the new hangar building are advised to contact Don Geisler for rent pricing, availability and requirements.

Fly-Out Destinations — Michael Mossman reported that the restaurant at Putnam County (Greencastle) airport is closed, but Eagle Creek Airport is no longer charging a parking fee to visit Rick's Cafe Boatyard. Other nearby airport restaurants at Columbus and Muncie are still open.

Adjournment — Jay Schaumberg motioned to adjourn the meeting; Gene Hollingsworth seconded. The meeting was adjourned.
